Mayor Selby gave each council member catalogs from Play Mart, which is manufactured in Somerset, with a local salesperson here in Russell Springs. This equipment is recycled plastic. Wanting something more for the toddler age group. City can install equipment with some assistance from them or they will install everything. Will check on requirements about needing to be fenced in. Mayor Selby asked everyone to look thru and write down which they choose and meet with him for the pricing list.
5. Sherry Daniel also suggested would like to have a family day in the park with various activities such as dunking machine, cotton candy & popcorn. Ramie Hutchinson also had other suggestions such as a little park for dogs, spot for community garden, art sculptures along walking trail or color fest for fall. Timmy Hudson agreed good idea for community garden. He would use his tractor and help in any way. Eric will speak with Lindsey Westerfield from library to see if they would be interested in getting involved.
